

## **CILT(UK) LEVEL 3 AWARD IN GLOBAL LOGISTICS**

The CILT(UK) Level 3 Award in Global Logistics provides knowledge and understanding of current trade patterns and the structure and operation of global and multi-national trade, business and supply chains. It includes economic, environmental, cultural, political, and ethical issues and moves on to address how global trade is regulated, constrained, controlled and monitored across all major modes of transport.

Upon completion of the Level 3 Award learners can progress to the CILT(UK) Level 3 Certificate in Global Logistics qualification which will include two additional mandatory units in Business Theory and Business Application.

### **Content:**

The qualification comprises one mandatory unit.

- Global Logistics

The unit considers the options available for international businesses wishing to minimise any negative factors, including those associated with the environment and conducting global business. The unit examines physical and human resource issues related to extended supply chain operation and control, including the quality assurance and development of technical and quality standards.

### **Who the Level 3 qualification is for:**

The Level 3 Award in Global Logistics is aimed at potential supervisors and aspiring managers and is recommended for anyone making a career change.

### **How long does it take?**
